

# Fredericksburg Marathon Challenge 2018

*(registration will close 11/16/18)*

If you have completed the Marine Corps Historic Half Marathon CONGRATULATIONS! You have committed to training and set a goal for yourself. Why stop there? The Fredericksburg Marathon Challenge continues to build on this accomplishment by adding an additional 13.1 miles with the Blue & Gray Half Marathon in December. Upon the completion of the Blue & Gray Half Marathon, additional awards will be offered to those accepting the challenge. Awards will be determined by combining running times for both races. (Elapsed time will include the interval seven months and may not qualify for Boston or be recognized as a "two-hour" record). This is another opportunity to race in historic Fredericksburg. Keep training and accept the challenge!

**Remember: 13.1 + 13.1 = 26.2**
